

# Sean Balbale

## Software Engineer and Full Stack Web Developer

I'm a student interested in software engineering and full-stack web development. I taught myself how to code in languages such as Python, Java, and JavaScript, and I am looking for an opportunity to expand my professional skillset.

## Experience

### Teaching Assistant - Weston Middle School

October 2023 – May 2023 · Weston, MA

I assisted the engineering teacher in creating curriculum and running classes at Weston Middle School.

### Software Engineer and Technical Support - Freelance

March 2019 – July 2021 · Boston, MA

I offered technical support and software development services to clients.

### Coach - Wayland Weston Rowing Association

March 2019 – June 2020 · Wayland, MA
