Sean Balbale - Resume

Sean Balbale

Software Engineer and Full Stack Web Developer

I'm a student interested in engineering and full-stack web development. I taught myself how to code in languages such as Python, Java, and JavaScript, and I am looking for an opportunity to expand my professional skillset.

Experience

Intern - Titan Advanced Energy Solutions

May 2023 – May 2023 · Salem, MA

I assisted the team at Titan in the labs and wrote some software to help with ultrasound analysis.

Teaching Assistant - Weston Public Schools

October 2022 – May 2023 · Weston, MA

I assisted the engineering teacher in creating curriculum and running classes at Weston Middle School.

Software Engineer and Technical Support - Freelance

March 2019 – July 2021 · Boston, MA

I offered technical support and software development services to clients.
